Scholarship Information

MoSAC and MAMA jointly award up to two scholarships annually to applicants who are enrolled or are planning to enroll in an aviation-related curriculum at a U.S. college or university. Awards will be made to residents of Missouri and citizens of the U.S. without regard to gender, race, religion or national origin.

Scholarship applicants will be judged in one of two categories, with individual awards for each category.

Professional Category: This category is intended for students pursuing a degree in Airport Management, Airport Operations, Aeronautical Science, Professional Pilot, Engineering or other similar pursuits.

Technical Category: This category is intended for students pursuing a program for an A&P Mechanic Certificate, Aircraft Maintenance Technician, Aircraft Maintenance Management, Aircraft Dispatcher Certificate, Flight Operations or Dispatch Professional, or other similar pursuits.

Indicate which category you would like the application submitted for:

Professional _____

Technical _____

**Return complete application and supporting material by February 16 to
Missouri State Aviation Council &
Missouri Airport Managers Association
PO Box 681118
Kansas City, MO 64150**

Or e-mail to missouriairportmanagers@gmail.com

Form may be reproduced locally.

Recipients only will be contacted by mid-March regarding the details of their scholarship.

Recipients may be asked to submit a headshot photo for scholarship announcement in publications.

Scholarship checks are sent to the schools by mid-May and are to be used for tuition and lab fees for that upcoming school year. It is the intent of the organizations to award up to two \$2,000 scholarships for students pursuing degrees in support of a professional or technical aviation career.

These \$2,000 scholarships are not based on an endowment and sometimes are not awarded.
